

You're My Friend!

Siggy says everyone needs a friend. Let's learn to say "friend" in twelve languages.

I. Use the internet to look up the word for friend in these languages.

English

Spanish

Japanese

French

German

Thai

Korean

Chinese

Italian

South African

Russian

Arabic

II. Choose three languages and read more about the countries where those languages are spoken. Find all three countries on a world map.

III. If you lived in one of these countries, how would your life be different? Write a paragraph of five sentences to explain what might be different.
